Taking a wide-ranging intertextual approach, Richard Hillman sets Early Modern English play-texts against political and cultural discourses concerning France, as these informed contemporary English consciousness. The English works explored go beyond those directly representing French affairs; the French examples include dramatic treatments of Joan of Arc and of the assassination of the Guises by Henri III. In addition to its fresh readings of some familiar plays, the book proposes, as unique to the English-French dynamic, a theoretical model relating history, discourse and subjectivity.

Every reader can name at least one book that changed his or her life—and many more beloved titles will surely come to mind as well. In *The Book That Changed My Life*, fifteen of America's most influential authors discuss their own special literary choices. These unique interviews with National Book Award winners and finalists offer new insights into the many ways in which the experience of reading shapes the act of writing. Robert Stone on Joseph Conrad's *Victory*, Cynthia Ozick on Henry James's *Washington Square*, Charles Johnson on Jack London's *The Sea-Wolf*—each approaches the question of literary influence, while offering rich and wonderful revelations about his or her own writing career. James Carroll, Don DeLillo, E. L. Doctorow, Diane Johnson, Philip Levine, David Levering Lewis, Barry Lopez, David McCullough, Alice McDermott, Grace Paley, Linda Pastan, and Katherine Paterson are the other distinguished contributors to this collection of informed, insightful interviews.

One of the most perplexing aspects of research today is what to do when there's too much information on a topic. The key, says Leslie Stebbins, is to know how to find the most promising information, evaluate it, and use it effectively. Individual chapters provide a step-by-step introduction to research and critical evaluation and specific types of information resources, as well as guidance on such skills as note-taking and referencing. Students and librarians alike will benefit from these suggestions, strategies and straightforward examples for developing good filtering instincts and management of search results.
