FOCUS ON COMMUNITY COLLEGE SUCCESS, 5th Edition, can help you cut through distractions, find more time, and accelerate your success! Like so many community college students, you're busy with family, work, and school, rushing from place to place to fit it all in when focus is what you really need.

FOCUS ON COMMUNITY COLLEGE SUCCESS, 5th Edition, delivers strategies for juggling school, family, work, and other challenges unique to community college students. Updated with new research from academic journals and practical career sources, this text leans forward to help today's distracted students develop mindfulness, adopt time and financial management skills, deliver polished presentations, think critically, and better retain course content so they can study less. Features include entrance and exit interviews for tracking progress, new quick-study infographics, career planning advice, and the available MindTap learning platform for streamlined learning and course prep. In a world of multi-tasking and cell phone addictions, FOCUS ON COMMUNITY COLLEGE SUCCESS offers proven methods that engage and motivate students, build tenacity, and make them unstoppable. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

FOCUS ON COMMUNITY COLLEGE SUCCESS, 4th Edition, speaks directly to community college students, delivering strategies for navigating the unique challenges of juggling school, family, work, and living/studying at home. Updated with the most current research, this forward-thinking text continues to strive to improve student retention, motivation, and engagement, as well as offer proof of student progress and course efficacy through the Entrance and Exit Interviews. The fourth edition includes expanded coverage on resilience, with strategies for assessing and building resilience. A revised section on the importance of group work gives students the tools they need to successfully collaborate. Now available with MindTap, a fully online, highly personalized learning experience built upon FOCUS ON COMMUNITY COLLEGE SUCCESS. MindTap combines learning tools—readings, multimedia, activities, and assessments—into a singular Learning Path that guides students through their course. Staley, a leader in the field of motivation, helps students develop realistic expectations of what it takes to learn while encouraging and engaging them with direct applications and immediate results. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

and confidence to succeed in college and beyond -- including strategies to overcome the special challenges of juggling school, family and work. Extremely practical activities help you build the focus you need to cut through distractions, transfer to four-year colleges if desired and achieve career goals. Updated with the latest research and best career practices, it emphasizes the skills today's employers seek. It also offers tips for practicing mindfulness, coping with isolation, managing money, conducting smart research, avoiding plagiarism, developing successful learning strategies for online classes, overcoming Zoom fatigue and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With increased attention to diversity, mindfulness, resilience, grit, productivity, financial literacy, alternative presentation e-tools, and new career planning strategies, the fifth edition of FOCUS ON COLLEGE SUCCESS recognizes the varied experiences you bring to the college classroom and guides you to build your motivation and increase your focus. Because of its engaging, relevant style that speaks to readers directly, 97% of students surveyed recommended that their professor use this book again with next year's first-year students. While college success strategies may seem like common sense (after you read about them), many are not. Written by a leader in the field of motivation and focus, the text covers topics, tools, and techniques that will deliver results. By learning these skills early on, you can avoid many of the pitfalls which cause so many students to stumble. All of the book's exercises and activities are designed to help you learn more about yourself and help you focus on what you need to do to succeed. Going well beyond college, these lessons will help you in your career and your personal life. Specific tools help you make self-discoveries and chart your progress through the text. Did you know that your odds of completing college successfully go up after you take a college success course? That makes FOCUS ON COLLEGE SUCCESS a no-brainer. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

According to recent market research, students are less academically engaged than ever before--a downward trend that has nothing to do with intellect, but everything to do with motivation, focus, and discipline. Visually appealing, research-based, and highly motivational, FOCUS ON COLLEGE SUCCESS, CONCISE EDITION, completely engages students with direct applications and immediate results. Thoroughly researched, the text covers the topics most important to student success and incorporates underlying themes of motivation and self-discipline throughout. Rather than talking down to students or speaking over their heads, FOCUS ON COLLEGE SUCCESS, CONCISE EDITION, initiates a personal and informal conversation with readers--directly connecting with and drawing them into text discussions. Like FOCUS ON COLLEGE SUCCESS, this concise version of the text addresses the needs of today's college students. In this smaller version, chapters on information literacy, writing, speaking skills, and wellness have been removed to concentrate on the core elements of the college success class. By holding to one good example for each chapter, Staley allows for the hands-on learning at which she excels, while creating a concise, student-focused option for the classroom. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Community colleges enroll half of the nation ' s undergraduates. Yet only 40 percent of entrants complete an undergraduate degree in six years. Redesigning America ' s Community Colleges explains how two-year colleges can increase their students ' success rate quickly and at less cost, through a program of guided pathways to completion.
