- Enables organizers to envision and implement a VBS program customized for the local church - Practical, comprehensive, from-the-ground-up approach to VBS Designing a Vacation Bible School program, as opposed to choosing one of the many off-the-shelf packages, is a labor of love. It considers the unique perspective of children and invests accordingly. It's a home-cooked meal compared to fast food. It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time. Well-designed VBS programs speak to children with respect, love, and patience, offering opportunity for authentic spiritual growth, not to mention an intentional theology that is reflective of the church. Finally, custom-designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts. This book provides Christian educators with the tools they need to assess the needs and resources in their congregation, and to craft a creative program in response to that assessment. The Best VBS Workbook Ever offers direction and suggestions on theme, structure, logistics, program, activities, staffing and promotion. Audience: Episcopal and other mainline churches looking for something more original and thoughtful than typical pre-packaged VBS programs, Directors of Christian Education, Directors of Children's Ministry, Camps and Retreat Centers, FORMA, Kanuga Christian Education conference, eFormation network

Inspired by the #1 hit worship song by Chris Tomlin, this precious story teaches children about our Father God's unconditional love and acceptance and that the only gift God wants is our hearts. Grammy Award-winning music artist, Chris Tomlin, and Pat Barrett (Housefires) team up to tell the story of a little bear named Tucker whose life is forever changed when he learns just how great the King's love is for him. When Tucker's friends need help, he journeys to see the King who lives in a castle where the door is always open. Along the way, Tucker encounters a variety of humorous animals filled with ideas about what the King is like. Then finally, he meets the King who runs to him with open arms.
