Baruch College, Kiana Danial, gets to the bottom of this mysterious Japanese indicator, and combines it with Fibonacci retracement levels to develop trading strategies based on individual's risk tolerance; a method that has helped her and her Invest Diva students create profitable investing strategies. Whether you've already started trading, or you're itching to start, this is a recipe for making more profit, more often. What if you could develop winning strategies all by yourself? What if you were the first to spot a trend-change in the market? What if you were able to calculate the exact target levels and aim for them based on your portfolio and risk tolerance? This book will help you build your strategy development skills-fast."Kiana has done a tremendous job of simplifying a powerful yet commonly misunderstood indicator. Intermediate to experienced traders will find this book of great value if they are looking to adjust their medium to long term strategies to fit specific risk tolerances."- Ilan Azbel, CEO at AutoChartist"Kiana's market analysis is always based on empirical, unbiased study and she adheres to the golden rule of trading: "follow the data". If you want to increase your level of success in trading, follow Kiana!"- Jay Norris, Founder, Trading University

KIANA DANIAL has been creating successful trading strategies since she was an electrical engineering student in Japan. After doubling her initial investment during the 2008 market crash,

by trading the Japanese Yen against the US dollar with the help of a Japanese trader, she rapidly moved to New York to pursue a career on Wall Street. She then launched her investing education website, INVEST DIVA, and received an offer to publish her first investment book by McGraw-Hill. But the success-train was just getting started; once she started teaching her new formula to other traders, the results were simply breathtaking. Now the question is ... are YOU ready to learn the Ichimoku secrets and develop winning strategies?

Q: Ladies, Do YOU Have What It Takes To Become A Forex Diva? A: Yes, You Do. With this incredible new step-by-step guide, investing pro and TV personality Kiana Danial shows you exactly how to understand and take advantage of foreign currency trading. Years ago, the author discovered that women in Japan were making a fortune trading currencies on the foreign exchange (forex) market. These ladies were not investment professionals or financial wizards; they were ordinary individuals who simply learned how the online currency exchange market works--and mastered it. Now you can do the same. In fact, you're about to see just how easy it can be to trade on the largest and most liquid financial market in the world. Kiana Danial spent

years studying the habits of investors and discovered that women frequently make smarter, wiser, and less-risky investment choices than their male counterparts. This is precisely why she founded InvestDiva.com--the woman's guide to smart, safe, and profitable trading. By tapping into women's intuitive knack for multitasking and risk management, the author demonstrates why a woman's natural skill sets make her uniquely equipped to reap the enormous rewards of this extremely lucrative field. Invest Diva will show you: How the global currency market works Why social, political, and cultural events shape trading The smartest short- and long-term strategies Best practices for navigating the economic calendar Plus, you'll learn how to identify investment opportunities and spot trends using the five points of the Invest Diva Diamond: * Technical Analysis * Fundamental Analysis * Sentimental Analysis * Capital Analysis * Overall Analysis From her popular blog to her worldwide TV and web presence, Danial has become famous for making complex topics fun and easy to understand via simple, everyday analogies. With Invest Diva, she shows women everywhere the stress-free way to trade currencies--without ever leaving home. What the Boys of Wall Street don't want you to know . . . After years of studying the principles of the foreign currency exchange market, financial expert and financial correspondent Kiana Danial gets to the bottom of today's

most curious investment phenomenon: Why are women suddenly making a fortune trading currencies? The answer is inside this book, along with a roadmap designed to show you how and why forex can work for you. "Kiana Danial breaks down a sophisticated foreign exchange market with memorable analogies that can help the most financially illiterate person understand and gain passion in following the markets the way Ms. Danial does." -- FAN YANG, CMT, CEO, FXTimes.com "A must-read if you're considering trading any market or need to know more about trading the forex market. Kiana is an experienced market analyst and a gifted communicator whose book confirms what a lot of men are coming to realize--that women have an edge in trading because they understand the value of analyzing and planning before they risk their time and money." -- JAY NORRIS, founder, Trading University, and author of Mastering the Currency Market and Mastering Trade Selection and Management

frames, from the weekly all the way down to the one-minute chart. Loosely translated, Ichimoku chart means a 'one glance equilibrium' chart. Due to the unique construction of the Ichimoku cloud, which is the heart of this system, a trader can visually determine in an instant whether a chart is bullish or bearish! Not just that: ● Ichimoku clearly defines support and resistance, identifies trend direction, gauges momentum, and provides trading signals ● It is the only system with a built-in forward looking indicator ● Looking at Ichimoku charts on multiple time frames can offer a tell-all x-ray into the dynamics of any market ● It shows how to correctly time their entry and exit trades ● Most charting platforms today offer Ichimoku as an indicator. Packed with in-depth analysis of high-probability trading strategies and numerous real-market examples of stocks, derivatives, commodities and currency trades, this book reveals how you can make money using the powerful Ichimoku system, the candlestick cloud charts.

profits. The Ichimoku system has several advantages, including: - Autonomous system that can be supported by other indicators - Clear rules for buying and selling - Projection of support and resistance levels in the future - Charts are freely available for all traders

The Ichimoku system, developed in Japan, allows the generation of key trading signals in a single chart. No more analyses that include a dozen different indicators. This system has conquered the Asian markets and is about to invade the West. The system is very popular in the Forex currency market. Ichimoku has six components, including five curves with different time horizons, which help to delineate risk areas. This book will be a valuable tool to help you: - Understand the components of Ichimoku - Know how to interpret alerts and signals - Understand the role of emotions in trading - Discover five simple and profitable strategies - Understand how to speed up the triggering of signals - Know the trading rules associated with the types of transactions - Use other indicators in support of Ichimoku

This book also provides an overview of the basic concepts in technical analysis that apply to any method of analysis. More than 100 color graphics and tables are present to facilitate the learning of the reader. With Ichimoku, no matter the target market, the analysis remains the same.

Have you ever failed? Hit a roadblock that felt impossible at the time? As a woman and mom asking friends and family to believe in you while you try to build a business, have you ever felt overwhelmed or embarrassed, almost too scared to go forward but with too much at stake to quit? Learn how these author-entrepreneur Moms hit a wall, pivoted, built even stronger businesses, and now each has a Million Dollar Story making a difference and changing their children's lives. Best of all, they'll share with you secrets of building wildly successful businesses while raising entrepreneurial kids; businesses like real estate investing, buying and flipping real estate, network marketing, blogging, finance, eCommerce, Fulfillment By Amazon and more! In an era of rapid change, hear directly from teenagers and young adults whose moms have encouraged action-taking and an entrepreneurial mindset, skillset, and business in order for the next generation to write their own Million Dollar Story despite external forces. You'll hear from Chimene Van Gundy who endured her family's participation in a church cult and later the trauma of being sold into sexual slavery by an abusive foster family. She flipped that story by flipping mobile homes, clearing the \$1Million mark in just 21 days. She's the mother of five kids, has fostered over 60 children, donated thousands to rescue children, and is on her way to the \$25Million mark. Her daughter, Bella, is a survivor and

Successful Entrepreneur in her own right, sharing her story to help and inspire others. And you'll hear from Alison J Prince, mom to four kids, formerly a junior high school science teacher, who went on to become owner of not one, but four multi-million dollar businesses. One of her kids, Makayla, tells her story of building her own business and speaking from stage to a crowd of thousands before her 18th birthday! But ... no more spoilers! You'll have to read Million Dollar Moms so you, too, can build businesses while raising highly successful kids! "What I love about the collection of stories is that each of these brave women share how they were just like us, struggling to make ends meet, doubting their life choices and having to depend on their own determination to change their fate. Hearing just one of those inspiring stories gave me enough insight and inspiration to catapult my business into six-figures. I'm beyond grateful for the growth in my life as a result of the relationships with the women in this book. They bravely reveal personal and traumatic experiences making it obvious that "they get you." They honestly want to see you succeed. They guide you without patronizing you. They know what you're capable of achieving and clearly show you the path. Carla White, CEO of Hiro.FM and Host of Radical Shift podcast.

The book covers the history of candlestick charts - explaining the context in which they developed. It then moves on to explain how in the 1940s and 1950s a journalist, with the pseudonym Ichimoku Sanjin, started refining candlestick analysis by adding a series of moving averages. The book explains in detail how to construct Cloud charts and how to interpret them. A chapter is devoted to the advanced analysis of Cloud charts, with an in-depth study of the Three Principles: Wave Principle, Price Target and Timespan Principle. The book is illustrated throughout with numerous examples of Cloud chart analysis.
