and Get Your Financial Life Together
America

Any business owner will tell you that having the right staff in place is vital to the success of his or her business. Yet so often hiring the right people, keeping them on the

Read Book Interview Like A Boss The Most Talked

team, and letting go of those who aren't a good fit is an HR nightmare. Hire and Fire Like a Boss addresses these difficulties and shows the reader how to build and keep a team of advocates, hiring those with passion instead of those merely

Read Book Interview Like A Boss The Most Talked

looking for a position. Getting the right people in place does not happen overnight; it requires both work and a change of mindset, particularly a focus on the core values of one's business.

Additionally, there may be those currently on the team who don't

Read Book Interview Like A Boss The Most Talked

quite catch the vision. Owning up to this and acknowledging that there is someone on the team who should not be there is about integrity and caring enough about that employee to realize that he/she would be better off in a different environment. Putting off

Read Book Interview Like A Boss The Most Talked

the inevitable helps no one, and the cost, both monetary and to morale, can be high when employees who are not a good fit are allowed to linger and weigh down the entire team. Fears of rehiring and retraining, vacancy costs, lawsuits, high turnover

Read Book Interview Like A Boss The Most Talked

rates, and losing clients are all addressed in Hire and Fire Like a Boss. Detailed documentation, insurance, and creating backups and redundancies are tools you can use to combat these potential problems, but the biggest factor to both firing and hiring

Read Book Interview Like A Boss The Most Talked

effectively is having core values for your business. Examples of core values from companies like Zappos, TOMS Shoes, and Google are presented to better enable readers to identify their own core values. Once identified and in place, the core values of your

Read Book Interview Like A Boss The Most Talked

business, along with regular employee evaluations, will provide a good foundation for your team. The included flowchart makes it simple to choose which action is best regarding any employees in question. A probationary period where

Read Book Interview Like A Boss The Most Talked

expectations are precisely outlined further directs business owners as to what the appropriate action is.

Understanding the way Millennials and Generation-X employees think assists an employer in hiring. Knowing the main

Read Book Interview Like A Boss The Most Talked

motivators for both men and women further helps employers to meet their staff's needs and keep the staff they value. If the business owner's team is making his or her dreams come true and working to build the business, it's vital the business owner is

Read Book Interview Like A Boss The Most Talked

working equally hard to make his or her employees' dreams a reality. Being proactive instead of reactive throughout the hiring process yields far better results. Turn a current team into recruiters and effectively advertise open positions with ads

Read Book Interview Like A Boss The Most Talked

that are unique, bold, and specific. A multitiered interview process that focuses on gauging a candidate's sense of guilt, emotional coping, job qualifications, and continued growth will quickly weed out those not likely to bring passion

Read Book Interview Like A Boss The Most Talked

to the position. Following up with a team trial period, where the new employee is allowed and encouraged to choose whether or not to stay furthers your prospects of finding those who are golden. Enrolling new hires in your core values and putting the

Read Book Interview Like A Boss The Most Talked

time and effort into quality training assures a great start to building a dream team. In the pursuit of that all-star team, the up-front work will yield the reward. Professional coaching and mentoring expert Dino Watts is the number-one international
