Research Proposal Provisional Title
Social Media And The

The initial aim of a title is to capture the reader's attention and to highlight the research problem under investigation. Create a Working Title

Typically, the final title you submit to your professor is created after the research is complete so that the title accurately captures what has been done. The working title should be developed early in the research process because it can help anchor the focus of the study in much the same way the research problem does.

Research Proposal | Research
Proposal Template | Research ...

The starting point for your research proposal is a clear, descriptive title. This title should give the first-time reader a big-picture idea of what the research will be about, in a line or two. Generally, a good research title provides insight into (at least) X things: What's being researched (i.e. the variables involved)

Before You Start:

Your research proposal is an important part of the application process. It
