The much-loved, "New York Times" bestselling author of "The Summerhouse" presents an emotionally charged novel about one woman's bid to stand up to the tragedy of her past and reclaim the promise of her future. Available in a Premium Edition.

In an all-new trilogy set in blissful Edilean, Virginia, Jude Deveraux weaves together the tales of three young women, best friends since college, and the lives, loves, and dreams that await them. Sparks are flying between Jecca Layton and Dr. Tristan Aldredge. At the urging of her dear friend Kim, Jecca put the ruthless New York City art world on hold to spend the summer pursuing her passion for painting while enjoying Edilean's tightly knit artistic community. For years, Kim's cousin Tris—the town's handsome and dedicated doctor—felt a deep connection to Kim's college "sister" Jecca, though they had met only once before; now, Jecca is swept off her feet by this strong, sensitive man in a summer of sensual delights. But when long

shadows announce Jecca's return to "real life" and the big city, the lovers must decide: Can they survive the distance? And who will sacrifice the life they've created for themselves to be together?

In the second novel in her bestselling Edilean trilogy, Jude Deveraux returns to the idyllic Virginia town where three best girlfriends joyfully reunite as they each seek out their heartfelt dreams and desires. Kim Aldredge is delighted that her dear college "sister" Jecca has found lasting love with Kim's cousin Tristan. But despite her flourishing jewelry-making career, Kim's own happiness seems as distant as the childhood summer when she played the hours away with young Travis Merritt, who came to Edilean with his mother under mysterious circumstances. At the end of that innocent season, he promised Kim he would return one day . . . and then vanished without even a goodbye. Years later, a worn photo is Kim's only proof of the perfect joy they shared. But when she least expects it, Travis, now a savvy Manhattan attorney, will crash into her life once more. Will Kim see the boy she knew under the man he's become?

It is 1909 and Temperance O'Neil is a woman ahead of her time. She's happy and devoted to helping single mothers on the streets of New York. But her new stepfather, Angus McCairn, does not approve and insists she quit her career and, as a respectable unmarried daughter should, live in his house in Edinburgh. Furious, but with no other choice, Temperance heads for Scotland determined to

drive Angus crazy. Soon, an exasperated Angus makes her an unlikely offer: to pose as housekeeper to his nephew James, and find him a wife, secretly. If she succeeds, he'll allow her back to New York. Temperance, smart, passionate, as stubborn as her stepfather, is determined at any cost to win her return passage. But she has taken on far more than she expected. James McCairn, Laird of Clan McCairn, is no cultured gentleman but a strapping, rough-mannered farmer, rude and brusque. There are pigeons roosting in the kitchen and chickens in the bedroom. Marriage is the last thing on his mind.

In small towns, no one lets the facts get in the way of juicy gossip... Terri Rayburn is a girl with a reputation. She doesn't deserve it, but having grown up on the outskirts of Summer Hill, Virginia, she knows how small towns work. The only way to deal with vicious gossip is to ignore it. So she keeps to herself as she runs the summer resort on Lake Kissel. When she returns home from a short trip to find a handsome stranger living in her house, she smells a rat. Someone is trying to fix her up, and she has to admit that Nate Taggart is just her type. However, Nate is engaged to the daughter of the mayor and strictly off-limits. Nate and Terri form an unlikely friendship while he throws himself into life at the lake. As Nate starts to hear rumors about Terri he's confused. Knowing how smart, beautiful and strong she is, he's determined to discover the source of the gossip. Terri doesn't want to revisit the past, but Nate won't stop until he discovers the truth—even if the truth might be more than either of them can handle. Set in the beloved fictional town of
