The Tactical Guide to Women In theory, this book is a great idea, but I discovered the reality upon reading it. You can “risk managing” all you want, but the reality is that people change. There's no way to predict what will happen in your future which will affect who you become and who she becomes.

The Tactical Guide to Women and common women mental problems. I read The Tactical Guide to Women some time ago. I think it is a good and balanced book. Can anybody recommend another book in a similar area? I'm especially interested in the common mental problems that women have and that are actually quite common and red flags.
