FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

BOBBY KAUFMANN IS A COCAINE DEALER IN TEXAS' BIGGEST PARTY TOWN... 23 years old and an alcoholic, Bobby Kaufmann spends his time drinking and making hand-to-hand sales. With one day bleeding into the next, Bobby begins to understand the futility of his way of life. Not lost on him is that every single woman he knows is less interested in him for who he is than what he can get them. For the first time, this state of affairs begins to bother him. So, he resolves to change. The novel opens depicting Bobby's terrifying youth as his mother submits to an enormous drug habit. The rest of the novel chronicles an unsettling eight weeks in which the young adult Bobby, mired in the conflicts of his dead-end youth, tries to make the transition from professional criminal to a legitimate owner of a bar on Austin's famed Sixth Street. Although more resolved than ever to end his self-destructive ways, the real question finally emerges--is Bobby Kaufmann capable of change? Born and raised in Houston, Jim Williams received a BA in political science from the University of Houston, followed by an MA in political philosophy from the University of Chicago. Williams is a sixth-generation Texan who has lived in Austin

for more than twenty-five years. He is currently hard at work on his second novel.

From the founders of the acclaimed Summit event series and community comes the story of their unconventional journey to business success and the hard lessons they learned along the way. "If you want to succeed as an entrepreneur, Make No Small Plans shows how the Summit team did it."—Ray Dalio, #1 New York Times bestselling author of Principles for Dealing with the Changing World Order In 2008, with no event production experience and two college degrees between the four of them, Elliott Bisnow, Brett Leve, Jeff Rosenthal, and Jeremy Schwartz became business partners and set out to build a global events company. With passion and tenacity, they began cold calling as many inspiring company founders as they could and tried to convince them to attend their first event. In the beginning, only nineteen people said yes. Since then, they have grown Summit into a global community with events all over the world, hosting luminaries including Jeff Bezos, Richard Branson, Shonda Rhimes, Brené Brown, Kendrick Lamar, and Al Gore. In 2013, the Summit founders acquired Powder Mountain, the largest ski resort in the United States, with a dream of building a mountaintop town of the future. In Make No Small Plans, they reveal the triumphs, mistakes, and cornerstone lessons from their journey, which began during the Great Recession and continues today. Alongside teachings from some of the most inspiring entrepreneurs of our time, the authors offer takeaways such as: • No idea should go unspoken. • Reputations are earned by the drop and lost by the bucket. • The road to success is always under construction. • Become a favor economy millionaire. Entertaining and empowering, Make No Small Plans shows that anyone can think big and—with a thirst for knowledge, a talented team, and a little humility—accomplish the impossible.

The Third Door: The Wild Quest to Uncover How the World's Most Successful People Launched Their Careers is about the surreal journey of Alex Banayan, an 18-year-old college freshman. After winning in The Price is Right, Banayan set out and followed Bill Gates, Jessica Alba, Maya Angelou, Lady Gaga and several more successful people to learn how they launched their careers. Alex found out that they have one thing in common: all of them took the Third Door. Banayan says that life, success or business are like nightclubs. There are three ways to get in. The first door is where ninety-nine percent of people hope to get in. The main entrance is where people get in line to have a chance to go inside. The second door is for the VIPs. This entrance is where the celebrities and billionaires enter. And then there is the third door. This is where you skip the line, climb on top of the dumpster, run down the alley, crack open the nightclub window or the kitchen window. There will always be a way to get in.

My book has three narrators: my birth mother, my adopted mother, and myself. It is the tale of two mothers and their connection to one child. One mother was shamed because she had a child and the other because she couldn't. I am one of 3,500 Greek orphans adopted to the U.S. in the 1950s. Conceived in an act of violence, I was born to an unwed mother who was exiled from her island home for 44 years. Homeless and seven months pregnant in a large mainland city, she could not care for me and lost me to foreign adoption. Raised in California, I returned to Greece when I was 30 where, through a series of life-changing events, I reconnected with my birth mother. Finally, as the orphaned child, I tell my story. Based on documents and oral histories given by both mothers, and my experiences, it is a tale so miraculous it reads like fiction.

When her cat disappears during winter, Annie searches for a new pet among the woodland animals until her beloved Taffy reappears with a surprise in the spring.

Here is the story of Jerry Weintraub: the self-made, Brooklyn-born, Bronx-raised impresario, Hollywood producer, legendary deal maker, and friend of politicians and stars. No matter where nature has placed him--the club rooms of Brooklyn, the Mafia dives of New York's Lower East Side, the wilds of Alaska, or the hills of Hollywood--he has found a way to put on a show and sell tickets at the door. "All life was a theater and I wanted to put it up on a stage," he writes. "I wanted to set the world under a marquee that read: 'Jerry Weintraub Presents.'" In WHEN I STOP TALKING, YOU'LL KNOW I'M DEAD, we follow Weintraub from his first great success at age twenty-six with Elvis Presley, whom he took on the road with the help of Colonel Tom Parker; to the immortal days with Sinatra and Rat Pack glory; to his crowning hits as a movie producer, starting with Robert Altman and Nashville, continuing with Oh, God!, The Karate Kid movies, and Diner, among others, and summing with Steven Soderbergh and Ocean's Eleven, Twelve, and Thirteen. Along the way, we'll watch as Jerry moves from the poker tables of Palm Springs (the games went on for days), to the power rooms of Hollywood, to the halls of the White House, to Red Square in Moscow and the Great Palace in Beijing--all the while counseling potentates, poets, and kings, with clients and confidants like George Clooney, Bruce Willis, George H. W. Bush, Armand Hammer, Brad Pitt, Matt Damon, Bob Dylan, Led Zeppelin, John Denver, Bobby Fischer . . . well, the list goes on forever. And of course, the story is not yet over . . . as the old-timers say, "The best is yet to come." As Weintraub says, "When I stop talking, you'll know I'm dead." With wit, wisdom, and the cool confidence that has colored his remarkable career, Jerry chronicles a quintessentially American journey, one marked by luck, love, and improvisation. The stories he tells and the lessons we learn are essential, not just for those who love movies and music, but for businessmen, entrepreneurs, artists . . . everyone.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The bear, the moose and the beaver are the best of friends, even though they often disagree. On a canoe trip, the trio's squabbling leads them into rough waters. Can they agree on a plan before it's too late?
