“How can you mend a broken heart ...” said the Bee Gees many years ago. As Linda Estes, and most of us, knows, bruised and broken hearts are part of this life. How we deal with the brokenness is as diverse as we are. Linda reminds us that our LORD is the One who does more than apply temporary ointment or bandage. He tenderly and fully heals with the power of His own loving treatment. Join Linda in this fourth, and possibly her last, devotion book as she shares healing words from our LORD. What is next?

Jesus, Lover of My Soul by Charles Wesley, first published in 1878, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The author knows well of the Power above all Powers, the Strength and Love above all Loves. Indeed he knows we have a Lord of Lords, an Alpha and Omega that always was, is, and forever shall be. Wayne relays if there were anything he would desire for readers of this work, it would be that each one facing the maladies of life could be restored as God is doing for Wayne. He also sends along the knowledge he is yet as Paul stated long ago and realizes My sinful self, my only shame. Things he would recommend to others are these: never give up! Pray and praise, dance and sing, for this is what a Christian's future holds. Agape love.

Customized songwriter, Mike McCracken has been writing songs most his life. He even wrote songs on the radio for 4 years. Some of these songs are included in this book. Some of his songs are considered heart wrenching and made the people he wrote for even cry even on the radio. Jesus went around healing people and never asked for anything in return to show God's Love. As a Christian songwriter, Mike believes that he is like Jesus healing and has never asking for anything in return. He writes songs for free. His songs really work. The songs have saved marriages, helped with family and brought lovers back together when all seemed hopeless. One man told Mike that there is too much water under the bridge. They will never get back together. He died in her arms. They got back together. "Need a song written for your Love and Tears? I am a Customized Songwriter, I am like a Psychologist. People tell me their story and instead of giving advice I write their song and their song is the cure." Warning: This book will affect your emotions. It is full of real true life Love and Tears. About the Author: Mike has traveled the world writing songs and teaching while entertaining and singing his songs. He considers the world his stage and his classroom. Being overly creative Mike thinks very different than the world. He travels a different path. He considers himself to be the only normal one. He claims to see things and know things which helps him write his songs because it gives him great understanding. Maybe, that is why his songs work. They truly are a gift from God especially

to the people he writes for because you can feel the emotions. God has given him a life of travel and adventure never staying in the same place more than three years. His songs show his life experiences and others very well. His sister said that Mike lives like he's retired. He lives like a rich man on a poor man's salary. Someone once told him that he cannot travel the world without money. He did it at least

First published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

At age 33, I'm in a new space mentally, physically and spiritually. Life has happened to me, and since it didn't kill me, I turned my stories into lessons, and blessings and various poems and intersections of language that I use to play on words. I could have given up on Jesus, but instead I considered myself like Job, or Maybe God considered me that way, so that's why my Jesus Christ Birthday was so lit, and the days thereafter been so sick. These tracks are my life, your life, the life we live. If I told you in autobiography, it would take too long, so read these lyrics, they're the words to my songs. Enjoy the tracks, enjoy the years, embrace my pain, hear my fears, I am free because of you, I am joyful because of God, I am loved by Jesus and I am covered by the blood. This is my life your entertainment, my healing has arrived, sit back and grab some tea honey, preferably some Chai, because this is about to get spicy.
